

COVID-19 GUIDELINES AT ALERT LEVEL 2 – 8 SEPTEMBER 2021

At Alert Level 2, golf can be played closer to normal but there are still specific guidelines that need to be in place.

Fairview Golf Club have developed these guidelines, in accordance with the advice from New Zealand Golf, to ensure the health, safety and wellbeing of staff, members, golf participants and the wider community which is of paramount importance.

The most important principle at Alert Level 2 is to 'play it safe' and remain physically distant from others.

Please take time to read these guidelines to familiarise yourself with how golf can be played at Alert Level 2. We will also be reviewing these and making any necessary amendments or additions. Thank you in advance for your understanding and co-operation.

1. Physical Distancing

You should maintain physical distancing (2 metres is encouraged) between all staff, players and visitor on the golf course and throughout all club facilities.

2. Hygiene

You should wash and dry your hands before and after play.

3. Masks

As per the Government directives, masks are required to be worn in the shop and are encouraged to be worn at other times.

4. Booking

You will still only be allowed to play on the course if you have made an advanced tee booking. This can be done online on DotGolf or by phoning or emailing the Golf Shop – (07) 549 3412 or emailing info@fairviewgolf.co.nz. You can't simply turn up or go out and play on the course when you want to play. This is for contact tracing purposes and so we can best monitor and control access to the course and bookings.

You will now be able to book for up to 4 players but you are still encouraged to book with people that you know.

To start getting back into club days, from Saturday 11 September bookings will be as follows:

- **Saturdays**
8:30am to 10:30am – Fairview Members (18 hole men and ladies) only
10:30am to 3:00pm – Open to all
- **Sundays**
8:30am to 10:30am – Fairview Members (all) only
10:30am to 3:00pm – Open to all
- **Mondays**
8:30am to 9:30am – Fairview Members (9 hole vets) only
9:30am to 10:30am – Fairview Members (all) only
10:30am to 3:00pm – Open to all
- **Tuesdays**
8:30am to 10:30am – Fairview Members (18 hole ladies) only
10:30am to 3:00pm – Open to all
- **Wednesdays**
8:30am to 10:30am – Fairview Members (18 hole men) only
10:30am to 3:00pm – Open to all
- **Thursdays**
8:30am to 10:30am – Fairview Members (9 hole men and ladies) only
10:30am to 3:00pm – Open to all
- **Fridays**
8:30am to 10:30am – Fairview Members (all) only
10:30am to 3:00pm – Open to all

5. Register

All players must register to enable contact tracing if required. This will be done as part of your advanced booking but can also be done by checking in through the DotGolf app.

We also have posters with QR codes for the NZ COVID Tracer app for contact tracing purposes which you are encouraged to use.

6. Play and Playing Times

Both 9 and 18 hole play will resume from Wednesday 8 September at 7 minute intervals. From Saturday 11 September, we will operate multi-tee starts on days that we normally do. Please minimise any congregation around the Clubhouse and Golf Shop and at the 1st and 10th tees and don't arrive any earlier than 15 minutes before play unless you are going to the Café or using the other facilities.

7. Handicapping and Scorecards

The national handicap system will be operational at Alert Level 2, so scorecards can be printed and entered in the Golf Shop. Please do not share your scorecard with anyone else.

8. Competitions and Haggles

Competitions and haggles will not initially start at Alert Level 2. This will also allow your sections to adjust their playing programmes.

9. Pace of Play

If you happen to catch a player/group in front of you please give them space. We'd rather you don't play through players/groups.

10. Golf Shop

The Golf Shop will open at Alert Level 2 between the hours of 8:00am-3:00pm each day. Please ensure you maintain physical distancing from staff and other people in the shop at all times.

11. Practice Facilities

The putting green and practice nets can be used between the hours of 8:00am-3:00pm, being the same times that the Golf Shop is open, for registration purposes. Players about to start their round have right of way on the putting green and practice nets. The practice hole (7A) will remain closed at Alert Level 2 as we have no way of monitoring its use.

12. Café and Member's Lounge

The Café and Member's Lounge can be entered at Alert Level 2 and will be available to do so from Wednesday 8 September. Please follow any directions as shown in these facilities for ordering, payments, registering and dining.

There is restricted entry to a maximum of 50 people at all times inside the Café and Member's Lounge but up to a maximum of 100 people can also be in the Sprig Bar. As such, we will be looking to use both areas when required and possible. You will have to be seated (with separation from others) if eating and drinking onsite and be served by a single server if possible. Ideally you should only sit with the group you have played golf with.

13. Changing Rooms, Bathrooms and On-Course Toilets

The clubhouse changing rooms and bathrooms and on-course toilets will re-open. Please follow hygiene guidelines when using these facilities.

14. Carts and Trundlers

Our carts and trundlers will now be available for use/hire at Alert Level 2. If you are bringing your own cart or trundler please ensure that these have been cleaned and sterilised before coming onto the course.

15. Flags and Holes

Flagsticks will be in place and cups will be at green level but please do not touch or remove flagsticks from the cup. We recommend that you pick your ball out of the cup with your glove on.

16. Bunkers

Rakes will be put back in the bunkers.

17. Rubbish

All bins will remain removed from the course but the bin outside the Golf Shop will be reinstated so please place all of your rubbish in this bin after play or alternatively take your rubbish home.

18. Wash Area

The wash area outside the Golf Shop will be available for use by staff only.

19. Sickness

If you are experiencing any cold, flu or other sickness symptoms please stay away as a courtesy to others.

Please enjoy your golf, stay safe and stay within the guidelines.

Kind regards
Fairview Golf Club

These COVID-19 Guidelines are to be read in conjunction with the Fairview Golf Course Club Rules and the Fairview Golf Course Guidelines and are subject to amendment and addition at any time. Should these Guidelines not be adhered to or complied with, then action may be taken against such member/s in accordance with the Rules and/or other authorities. Should you have any queries or concerns regarding the Guidelines and/or the Rules please send correspondence to aran@fairviewestate.co.nz and/or info@fairviewgolf.co.nz or contact us at (07) 549 3412.
